Chatswood Rugby Song*

It's Chatswood Rugby that we play hoorah... hoorah
We train all night and play all day hoorah... hoorah
It's winning rugby that we play, that is the Chatswood way
And we'll bring the cups to Beauchamp Park again.

The forwards are romping through again hoorah... hoorah
The backs are running wild again hoorah... hoorah
The Chatswood boys are always a threat
Supporters are with us every step
And we'll bring the cups to Beauchamp Park again.

Our winning way is legend here hoorah... hoorah
Across all grades we'll give a cheer hoorah... hoorah
We'll go for points at every chance
There ain't no team with a Chatswood stance
And we'll bring the cups to Beauchamp Park again.

And... we'll... bring... the... cups... to... Beauchamp... Park... again

Woods... Woods... Woods... Woods... Woods...
